

CIGNA Dental PPO (DPPO)¹

Finding a Core Network dentist or specialist is easy – there are several different ways.

Go to myCIGNA.com

Through www.myCIGNA.com, you can search for a Core Network dentist by name, specialty or location. MyCIGNA automatically knows which CIGNA dental plan and network you belong to. Your home zip code will be entered automatically, but you can change the zip if you are looking for a dentist in another area of town.

Go to the online directory on www.cigna.com

You can search the online provider directory.

- Click “**Provider Directory**” at the top of the page.
- Click “**Dentist**”. Enter your search criteria – location, name, etc. and click “Next.”
- Select “**CIGNA Dental PPO.**” In the drop-down boxes, select the “Core Network” and the dentist type you’re looking for.

Call us at 1.800.CIGNA24 (1.800.244.6224)

You can use the automated Dental Office Locator or speak to a customer service representative for help locating a Core Network dentist or specialist. You can also request a customized directory based on the type of dentist or specialist you are looking for in your area.

Call your current dentist to see if he or she participates.

When you call, be sure to ask if your dentist participates in the CIGNA Core Network.

Spend less out of pocket when you visit a Core Network specialist.

- **ENDODONTIST:** Treats diseases of the tooth root, dental pulp, and surrounding tissue
- **ORAL SURGEON:** Specializes in the surgical treatment of the jaw, face, and teeth
