You can visit any dentist who participates in the CIGNA^{Plus} Savings program. Consult the online provider directory on www.cignaplussavings.com.

CIGNA^{Plus} Savings[®] is a dental discount program that provides members access to discounted fees, pursuant to schedules negotiated by CIGNA Dental with participating providers, which members are responsible for paying in full, directly to participating providers. CIGNA Dental refers to Connecticut General Life Insurance Company.

Although all participating providers go through a credentialing process to assure that they are appropriately licensed and qualified, CIGNA Dental does not otherwise guarantee nor is it responsible for the quality of any services or products purchased by members. CIGNA Dental, 1571 Sawgrass Corporate Parkway, Suite 140, Sunrise, FL 33323, Attn: Operations. Telephone: 1.877.521.0244.

Some Healthy Rewards are not available in all states. A discount program is NOT insurance, and the member must pay the entire discounted charge.

Can family members use different dentists?

Absolutely. Each enrolled family member can visit his or her own dentist who participates in the program.

Is access to this program available if members travel out of their home state?

Yes. Members can access services from any of our participating providers, even when traveling away from home. Members always need to verify that the provider participates in the program prior to scheduling an appointment.

Is the dental discount the same among participating dentists?

No. The amount of discount will vary among participating providers and those procedures not included on the negotiated fee schedule may not be subject to a discount.

What if I need to see a specialist?

Once you are enrolled in the program, you can see participating specialists and general dentists in our network for treatment.

Can I change my dentist or specialist?

Yes. You can change to another participating dentist or specialist at anytime and you do not need to let us know.

Can I visit a dentist who does not participate in the program?

If you visit a dentist who does not participate in the program, you will not receive a discount.

How can I learn more about this program?

You can learn more by visiting www.cignaplussavings.com.
